AMERIGLOBE

Used Bag Pick-up Instructions

Thank you for your interest in our used bag pick-up service. When you are ready to have your bales picked up please contact your Satisfaction Specialist, whose contact information is included with this brochure. They will add you to the pick-up list and call you back with the scheduled pick-up date.

Please try to prepare your used bag bales according to the following specifications.

Load Requirements:

- No hazardous materials
- No extra trash
- No pallets or cardboard
- No stretch wrap
- Dry and as clean as possible
- The bags should be emptied as much as possible
- Bales need to be 750 – 1200 lbs.
- Bales need to be 24" x 36" x 42" to 36" x 48" x 72"
- Bales need to be loaded on truck without pallets
- Bales need to be strong enough to handle loading and unloading

Most companies claim to offer better bag prices. AmeriGlobe's systematic approach lets us find ways to save you money. AmeriGlobe can find ways to save you money, even on something as small as your used bags. Call AmeriGlobe today so we can work to find the best way to save you money.
